

## REQUEST FOR REGISTRATION AND CERTIFICATION

### Qualified Electronic Signature

The following terms in capital letters have the meaning attributed to the general terms and conditions of the following QES general term and conditions.

InfoCert provides the Remote Digital Signature Service (the "QES Service"), as a company registered in the list of qualified certifiers held by the Agenzia per l'Italia Digitale and as a Qualified Trust Service Provider (QTSP), according to the EU Regulation N. 910/2014 od 23/07/2014.

By using the QES Service, the Owner may enter into agreements and, more generally, undertake obligations and release declarations for any purpose, whereas digital signature on electronic documents is by law equivalent to the autograph signature, without any restriction of use limited to the Domain InfoCert.

The contractual regulation of the QES Service offered by InfoCert is contained in (i) this Request Form (the "QES Template" or "Activation Request"), (ii) the general conditions of Certification Services (the "QES General Conditions"), as well as (iv) the ICERT-INDI-MO Certificate Practice Statement (CPS) available at the *website www.firma.infocert.it* (hereinafter, jointly referred to as the "QES Documentation").

The undersigned Owner is interested in using the QES Service under the conditions described in the QES Documentation.

To this end, the Owner confirms the adequacy and accuracy of the personal data, as reported in the fields below, pursuant the General Data Protection Regulation (EU Regulation no. 679/2016)
